

Questions for Storytellers

You can pick a question from the list below to tell a story in response to. Don't see a question that appeals to you? Craft your own! Once you've selected a question, [click here](#) to book a session, or contact Communications Coordinator [Rick Brown](#) if you have questions or comments.

All Storytellers

1. What was your first experience with Health Care for the Homeless?
2. What motivated you to become involved with Health Care for the Homeless?
3. What is the best experience you've had with Health Care for the Homeless?
4. How have you learned or changed as a result of your experiences with HCH?
5. What makes you stay with Health Care for the Homeless? *(in whatever capacity that may refer to)*
6. What are the values of Health Care for the Homeless, and why are they important to you?

Consumer Storytellers

1. What does HCH mean to people experiencing homelessness?
2. How did you come to experience homelessness and HCH?
3. How did you first engage with HCH services?
4. What impact has HCH made in your life?

Clinicians, Advocates, or Administrator Storytellers

1. How has Health Care for the Homeless impacted you as a practitioner or advocate?
2. How has your work with Health Care for the Homeless changed your view of homelessness?
3. In your experience, what is the most important aspect of HCH work?
