The \$13 million Duffy Health Center is a Federally Qualified Health Center (FQHC) that offers an interdisciplinary, holistic model of care that seeks to address underlying causes of homelessness. Services include primary, preventive, chronic, and behavioral health care, and are offered at the Hyannis-based health center and community outreach.

Duffy Health Center has created a new position, Director of Finance, who will be hired with succession to the CFO in mind. Duffy Health Center is a vibrant Federally Qualified Health Center serving a very important mission.

Reporting to the CFO, the Director of Finance should have a well-rounded background in accounting and finance in a not-for-profit setting, ideally from health care. BA in Accounting or Finance required, MA ideal. Understanding of revenue cycle is important; familiarity with grant accounting is a big plus. The Director of Finance must integrate thoroughness and attention to detail with the big-picture vision required in a CFO.
